

Giant Octa Net

The extensions and options illustrated are not included in the basic price.

The largest of the Octa Nets has a mesh size of 48 cm. This means that the space cells are much larger, and give older children optimum playing opportunities.

With its height of over 10 metres the imposing Spacenet offers areas for adding Seats in the upper section as well – a place to sit high above the ground and enjoy the view.

Suitable age	Rope	Rope diameter	Mesh size	Space cells	Height	Floor space ¹⁾	Fall height ²⁾	Need of concrete
≥ 8 years	1044 m	22/23/24 mm	48 cm	84	10.45 m	10.70 x 10.70 m	max. 3.00 m	28.40 m ³ (reinforced concrete)

¹⁾ Please ask for total area requirement.

²⁾ Underground material has to be taken from the table in the annex.
