

This topographic map of Karlovy Vary displays a dense network of elevation points, primarily in the 100m to 120m range. The map includes the city's layout with streets, buildings, and the Ohře river. Key features include the 'žst. Karlovy Vary' (train station), 'Čertův Ostrov' (Devil's Island), and various landmarks like 'Národní dům' (National House) and 'Alžbětiny lázně' (Alžbětina Baths). The map also shows the 'žst. Karlovy Vary dolní nádraží' (lower station) and the 'aut. nádr.' (bus station). The map is labeled with 'NPO 1-2022' in the top left corner.

This topographic map of Horní Drahovice displays a network of elevation points. A legend in the top-left corner identifies the points as 'NPO 1-2022'. The map features the Ohře river flowing through the center, with numerous contour lines indicating elevation. Key infrastructure includes the railway line (Železniční trať) and several roads. Landmarks such as 'sklad' (warehouse) and 'šk.' (school) are labeled. The map also shows various buildings, parking areas, and a network of streets including U Trati, Vilová, Sturova, Jasmínová, S. K. Neumannova, Kvitová, Vítězná, Kvalilova, Zbrojnická, Rumunská, Anglická, Vrchlického, Jungmannova, Lidická, Madarská, Křtlová, and Stará Kysibelská. Elevation points are marked with numbers and some are connected by lines, showing a dense distribution of data points across the area.
